

SWEETGRASS METROPOLITAN DISTRICT NO. 3

2017 BUDGET

SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

In accordance with its Service Plan, Sweetgrass Metropolitan District No. 3 (the "District") was formed to finance public roadway, drainage, and park services and facilities for the residential component of the "Sweetgrass" P.U.D., located in Dacono, Colorado. The Service Plan of the District limits the debt and general mill levy of the District.

In 2009, the Service Plan underwent a First Modification which limited the amount of debt that District No. 2 could issue to \$31,925,000 and limited the amount of debt that District No. 3 could issue to \$10,395,000. The District has not previously issued any general obligation debt, and does not anticipate issuing G.O. debt in 2017.

The District prepares its budget on the modified accrual basis of accounting, and the budget has been adopted after proper postings, publications and public hearing.

Revenue

Property Taxes

The primary source of revenue for the District is property taxes. Property taxes are assessed and collected based upon the assessed value of all of the non-exempt property located within the District. The District adopts mill levies for debt service and for operations which, when combined with the District's other sources of revenue, provide sufficient resources to pay the required debt service (if any), capital purchases and the estimated costs of operations for the calendar year. The District adopted a mill levy of 4.0 mills for debt service and 16.0 mills for general fund expenditures. The total assessed value within the District in 2016 decreased by \$1,461,820 from the 2015 level.

Specific Ownership Taxes

This revenue is based on a sharing of the collection of vehicle ownership taxes pooled by Weld County. The estimate is based on 4.85% of the projected property taxes.
